TO GO MENU

SouthCreek Pizza Co. is a local, family owned restaurant, serving Hand Crafted, Wood Fired, Brick Oven Pizza.

We are committed to sourcing fresh, local and international ingredients to bring you the highest quality hand crafted pizza. Our menu is designed to highlight traditional Naples style pizza, creative SouthCreek originals, and to pay tribute to our Pizzaiolo friends across the country who have inspired us.

Our artisan Neapolitan style dough is made from type "00" flour imported from Italy and is cold fermented for at least 48 hours. This technique produces a soft, chewy crust, and is baked in our 900 degree, Stefano Ferrara, wood-fired brick oven, imported from Naples, Italy. Our mozzarella is made fresh daily in house, and is complemented by local, California tomatoes. We also offer fresh Salads with housemade dressings, Charcuterie, and Cheese Boards. Our Small Plates include our housemade Meatballs, Fire Roasted Garlic Shrimp and Fire Roasted Green Beans.

We have carefully selected our beer and wine list to highlight and compliment the flavors on our menu. We rotate our four tap beers, two tap wines and offer housemade Red and White Sangria.

Join us Tuesday through Saturday for Lunch and Dinner, and Dinner only on Sundays. You can find our daily Lunch and Dinner specials on
